Newsletter #112 - Increases/bonuses, payslip, housing, new CSE login and teleworking survey

6 April 2022

Increases, bonuses, profit-sharing and participation

In April you will see the increase and the individual bonus on your pay slip

The increase, announced at an average of 3%, varies according to the position and the market.

The individual bonus is calculated based on your performance in 2021. The average is 5% for a “WE – Within Expectations” rating.

In case of an “EE – Exceeding Expectations” or “OP – Outstanding” outperformance for Global Grade  $\geq$  11 (ex-level 8), an additional bonus is granted.

There are two options:

Placement in Amadeus shares (+10% with no charges). Find out more with the simulator.

Immediate payment (with charges and income tax).

The profit-sharing is 5.5% for all, placed in the PEE blocked for 5 years and managed by Natixis (without charges or income tax).

In May you will receive the profit-sharing payment:

The company bonus is 6,6% for all.

The supplement is 1000 € Gross for all (confirmed during the March 25th CSE), considered to compensate the cost of fuel.

There are two options:

Retrieve them immediately subject to charges and income tax  
Placement in PEE.

Understanding your payslip and taxes

As of January 2022 and with the implementation of Workday, the presentation of our payslips has changed. Here are some explanations to help you find the information you need.

Your profile

defined in the header of each payslip, with:

- Your unique 8-digit identifier is located at the top right-hand corner (in italic below the page number). As a reminder, this ID is useful for accessing the CSE website (see article “New login for the CSE website”).
- Your Employment « *Emploi* »
- Syntec Coefficient « *Position, Coefficient* », which correspond to your Global Grade at Amadeus

CFDT-F3C-COVID national survey: New work organisations, what impacts?

COVID crisis has had a major impact on the world of work. We are obviously referring to the implementation of teleworking for certain categories of staff, but not only.

The health crisis may also have resulted in organisational changes or changes in working conditions for all employees (working hours, organising of work spaces, access to training, relations between team members, etc).

The survey is open to everyone! vise à effectuer un premier bilan.

We count on you, thank you for your participation!
